Life Development Courses

ARE THESE CLASSES FOR ME?

Have you ever wondered what the details were about fasting? Or what is involved in spiritual warfare? Or how can I hear from God better than I do now? If these questions or others like it have ever come to mind, these classes are designed for you. From the man or woman who has been serving the Lord for years or to those who have just given their lives to Jesus, these classes are designed to give you an extensive knowledge of your faith as well as steps to applying it to your life. These classes will help you with your personal walk and relationship with the Lord and will also prepare you to share your faith with others. Within one year's time, you can go from someone who has just heard the name of Jesus for the first time to someone who is capable of leading others to Christ and being a spiritual leader. If you are seri-

ous about your walk, then you must consider taking these classes.

12 WEEKS OF GROWING

There are four classes available. Class 101, 201, 301, and 401. The classes are broken up to be twelve weeks a piece. Each class is focused on revealing truths in your life as well as your relationship with Christ. The first two classes are focused on your personal walk and the final two classes are focused on God using you to touch others.

GROWTH PARTNERS

At the beginning of the class, you will be required to pick a growth partner. You will meet with your growth partner once a week to reflect on what you have learned as well as encourage and pray for one another. You might ask yourself, "Why do we have to have a growth partner?" In Genesis 4:9 God asked Cain about his brother Abel. God said, "Where is your brother Abel?" Cain replied, "I don't know, am I my brother's keeper?" Cain's words reveal a life under the control of Satan, not the life we are to live with Christ. Having a growth partner gives us accountability from someone we might otherwise ignore and en-

ables us to be "our brother's keeper."

CLASS REQUIREMENTS

- All participants must currently be attending a church within the Church of the Living God Association.
- All participants are expected to be on time for class and only two absences will be allowed. Participants who exceed this will still be allowed to attend classes but will not be allowed to register for the next class (201,301,401) until the required class is completed.
- Growth Partners: partners must be same gender and all class participants are required to meet with their growth partners every week.
- Books: Along with your Bible, all participants are required to have their own book.
